(4) Read the following passage and answer the questions that follow :

Patrick never did homework. "Too boring", he said. He played hockey and basketball and Nintendo instead. His teachers told him, "Patrick! Do your homework or you won't learn a thing." And it's true, sometimes he did feel like an ignoramus. But what could he do? He hated homework. Then one day he found his cat playing with a little doll and he grabbed it away. To his surprise it wasn't a doll at all, but a man of the tiniest size. He had a little wool shirt with old-fashioned britches and a high tall hat much like a witch's. He yelled, "Save me! Don't give me back to that cat. I'll grant you a wish, I promise you that."

- 1. What did Patrick say about his homework?
- 2. How did the little man's high tall hat look?
- 3. What did Patrick grab from his little cat?

(5) Read the following passage and answer the questions that follow :

It was enough that her parents allowed her to attend engineering college after she graduated from Tagore school. After a Bachelor of Science degree in aeronautical engineering, against great opposition from her father, she went for a master's degree to the United States of America. She later earned her Ph.D. in aerospace engineering. Kalpana Chawla was the first Indian-American woman astronaut to blast off from the launch pad at Cape Canaveral, Florida and participate in a successful mission in space.
